what is inspire+

The workshop is a bootcamp on exposure, small flash lighting and posing. Conducted in a small group (limited to 16 people), it provides an intimate hands-on learning environment.

The seminar is an intensive photography and business coaching from Louis Pang in a larger group. Left brain and right brain. Art and business. Instincts and strategic planning. Are you ready to quit being a starving artist and build a thriving photography business? Join us today.

who is inspire+ for

It doesn't matter if you are a weekend warrior, one at the verge of turning professional, or a full-time photographer as long as you are hungry about growing your craft and business inspire + will take you further.

the speaker

Louis Pang is an internationally sought after photographer and speaker. He is the first Asia-based photographer to speak at Wedding & Portrait Photographers International (WPPI) convention, the world's largest wedding photography conference held annually at Las Vegas, USA. He has been a featured speaker for Asukabook, Epson, Lastolite, Nikon and Think Tank Photo.

Louis is one of four Grand Award winners of WPPI print competition in 2009. It was a historical feat as it marked the first time the Grand Award went to Asia. To date, Louis had won eight WPPI awards. He is also one of fifty international judges who judged the WPPI's prestigious Accolades of Excellence print competition in Las Vegas.

A passionate & inspirational educator, Louis runs WedShooter.TV, an online educational portal for wedding photographers.

Louis makes his home at the picturesque east Malaysian state of Sabah. Together with his wife, Jasmine, they run a thriving photography studio.
